FACE SHIELDS

Disposable Full-Length Face Shield

Protecting Our Frontline of Healthcare Workers With an American Made Product

Our heroes, the frontline of healthcare workers, need our support now more than ever. We're proud to not only support these brave individuals with our Protective Face Shields but are able to manufacture them right here in the United States in response to COVID-19.

Color of Face Shields may vary.

Simple, Effective Design

One-piece face shield design offers healthcare workers a simple, sustainable alternative to continue working.

Hazardous Protection

Our face shield design covers the user's facial region to limit the amount of exposure during daily routines.

Universal Application

We specifically offer a universal design so one size fits all.
