HealthandMedicalSupply.com LLC is a Florida-based small business dedicated to helping get medical products to those who need them with the highest professional and ethical standards.

MASKS

N95-MASKS

Alpha Pro Tech
N-95 Particulate Respirator
PFL® (Positive Facial Lock®) Design
with Magic Arch® and Twist Seal®

Donning Instructions

Step 1.
Check suspension at top of mask with one hand. Grab by finger of other hand behind the pleats.

Step 2.
Open mask by pulling lower edge and use other piece until mask is fully open. If in NIOSH (N95) that mask is fully open.

Step 3.
Place over in pocket position. Bunch back over back of head, position, behind head behind neck behind ears and top band over crown of head.

Step 4.
Cover nosepiece to ensure face contact, making it the Magic Arch®. In full extension bring your nose and mouth.

Step 5.
Push mask all nose piece, place over bridge of nose. Press on the underside between the piece, and lower gently so that mask is fully seated.

Step 6.
Check any excess material together under chin and cut over at head.

Step 7.
Face Fit Check. To check fit, place both hands along the edges of the respirator and exhale. If air escapes around your nose, top of the nose piece, or at ends of the respirator straps, adjust or refit the chin piece, repeat steps 3 and 4.

Step 8.
PFL. Bunch correctly fit to face.

Warnings:
 1. This product does not protect the user from hazardous materials or biological agents. Change filters and/or suspension when they become wet or soiled. Do not reuse. Do not use if damaged.
 2. Proper use and disposal of this respirator. Refer to the full instruction manual for detailed information on use and disposal.
 3. This respirator is not intended for use in environments with high concentrations of oxygen or in oxygen deficient atmospheres.
 4. Do not use if you are unable to breathe through the filter.
 5. Do not use if you are unable to breathe through the filter.
 6. Do not use if you are unable to breathe through the filter.
